(d) the time by which the schemes are likely to be cleared ?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SMT. BIJOYA CHAKRAVARTY)

(a) to (d) Only one reservoir scheme namely Halon Irrigation Project had been submitted by the Government of Madhya Pradesh to the Central Water Commission for techno- economic appraisal in January, 2000 which is under correspondence with the State Government. The clearance of the schemes by CWC depends upon the time that the State Government would take in complying with the observations of various central appraising agencies.
